# LANDEN PARK at Oldtown Demesne

Site Plan

Location Map

 Oldtown has a rich and varied history. The lands on which these homes are built have been the seat of the Kings of Leinster, the site where St Patrick baptised their children and the location selected by the great Irish military engineer, Thomas De Burgh for his house, one of the first Palladian winged houses in the country. Landen Park marks the next exciting chapter in Oldtown's history as a prestigious residential location.

### Superior Low Energy Design:

- 'A' rated energy efficient homes.
- Low energy, low carbon houses.
- Very high levels of insulation incorporated in floors, walls and roofs.

**C**apital Homes is the New Homes division of Capital Securities Corporation Ltd, a Private Equity firm based in Tullamore, Co. Offaly. Landen Park will be our flagship development and will demonstrate our commitment to providing a new standard in quality and comfort for new homes in the Irish market.

In creating our vision for Landen Park we have brought together a highly skilled team all of whom have long-run experience in residential development under our Alliance of Competencies model.

Our developments will have an emphasis on enabling a sustainably comfortable lifestyle using high quality building materials, fixtures and fittings, while ensuring each home is equipped to achieve an A-rated energy efficiency level. Additional non-standard features such as external plug points for electric cars will positively differentiate Capital Homes, while an emphasis on creating an inclusive family and community-based lifestyle will be an integral part of our developments.

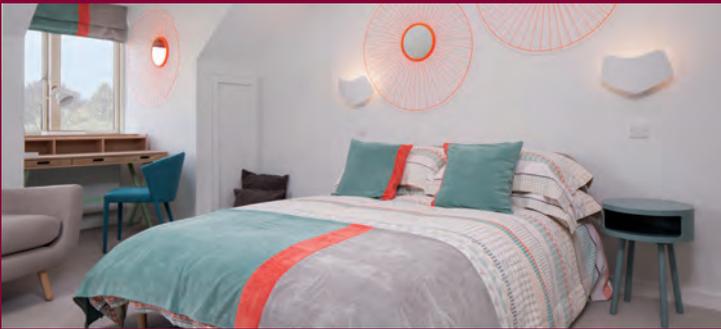

Our aim is to establish a brand which has a reputation for providing quality homes, value for money and excellent customer service in terms of the sales process and after-care for residents of Capital Homes' developments.
